

In addition to the minimum requirements to become an eminent Barber/Stylist, the Oscar Bayless Enrichment Center is motivated to also teaching the necessary soft skills needed to communicate effectively with both potential clients and employees.

## Our Mission Statement

Through direct training, we intend to assist passionate barbers and stylists on their paths to becoming certified barbers/stylists. From initial enrollment, we plan to equip enrollees with impactful information and real world applications that can be beneficial from day one. Step by step, we intend to build our students from prospected artists to a thriving independent business owner who can contribute to the overall success of the community.
